

Dear FCC,

REF: ARRL's petition seeking a primary amateur allocation
at 2300 to 2305 Mhz now assigned rule making number RM-10165

I support, and adopt as my own all of what is in the American
Radio Relay League's (ARRL) petition seeking a primary amateur
allocation at 2300 to 2305 Mhz filed in this proceeding by
ARRL in May 2001.
